Rates published by the Bursar’s Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Fall and spring international tuition is based on residency classification and your area of study. Dual degrees and double majors are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses including CU Boulder Online and Continuing Education have separate tuition, fees and billing. Costs listed on this sheet are billed directly by CU Boulder but may not include everything. See Understanding Your Cost of Attendance (colorado.edu/understand-your-cost-attendance). Rates and deadlines may be subject to change.¹

CU Boulder Tuition Guarantee
Tuition for undergraduate nonresident and international students is guaranteed to be the same rate for four years. For more information, please visit the Bursar’s Office website at colorado.edu/bursar. (Students first enrolled in Summer 2026 pay Group U rates in Summer 2026 and then move to Group V rates starting in Fall 2026.)

¹ In fall and spring, undergraduate international tuition is a flat rate for any number of credit hours.
