Rates published by the Bursar's Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your college, school or program. Tuition for these programs is assessed on a linear credit hour basis (each credit hour is the same rate). Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees and double majors are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education have separate tuition, fees and billing. Rates and deadlines may be subject to change.

¹ Total tuition continues to increase at the same increment for each hour over 18.

² Beginning in Fall 2024, the Student Computing Fee of \$67.24 will apply to students enrolled in any number of credit hours.

³ Beginning in Fall 2024, the Bike Program Fee will be combined with the Transit Pass Fee.

⁴ "Total Fees" do not include the A&S Tech (ASSET) Fee, the Immigration Compliance Fee and the New Student Fee.

The full cost of attendance for an academic year could include expenses such as on-campus housing and food, books and supplies, and items that are not billed by the university, such as personal expenses, transportation and medical insurance.
