ADVANCED PLANNING IS RECOMMENDED

It is never too early to plan your event!

When planning your event, keep in mind that larger, more complex events require a significant amount of planning and coordination from various university departments to ensure success. A full-time event planner will be assigned to these larger events to help you through each step in the planning process. We recommend that clients place catering orders as early as possible after securing the venue space. For popular campus dates such as graduation events and holiday gatherings, we encourage you to contact us at least six to eight weeks prior to your event date.

Please remember to ask your guests/attendees if there are any medically documented food allergies. These needs are best met when this information is provided during the planning process and before the established deadline. Late notice of food allergies decreases our ability to meet your guests' needs. All foods may have been manufactured on equipment in a facility that also processes food containing eggs, fish, gluten, milk, peanuts, shellfish, sesame, soy, tree nuts and wheat.

TYPES OF CATERING SERVICES AND FEES

Staffed Events

To ensure event success, the number of catering staff needed will be determined by the event planner based on the complexity of the event. Staff will deliver and set-up your catering order. This set-up includes a tablecloth for the food items ordered and all appropriate service ware. Staff will replenish food and beverages throughout the event and keep the food buffet tidy and appealing to the guests. Staffing fees will include 1-2 hours prior to the event, determined by event complexity, and one hour post event for clean up.

Fees:

- Chef fee of \$50 per chef, per hour (if applicable)
- Staff fee of \$25 per staff member, per hour
- Staff fee of \$65 per staff member, per hour for plated meal service
- Bartender fee of \$65 per bartender

Due Dates for Staffed Events:

Due at 4 p.m. ten (10) business days (excluding event day) prior to your event:

Guest count can increase or decrease up to 10% and is due by 11 a.m. seven (7) business days (excluding event day) prior to your event. Any changes to the guest count beyond 10% will not be guaranteed.

Service Ware, Equipment and Linen Fees for Staffed Events:

Appropriate disposable or china service ware are provided for catering orders at no charge. Your event planner can discuss alternative service ware options for your event and budget. The University of Colorado Boulder's student government, the UMC's governing body, encourages the use of reusable products, depending on guest count and location.

Basic buffet linen for the food and beverage buffets along with the guest dining tables is included when ordering a full breakfast, lunch, or dinner menu. Additional fees will be charged for linens needed for overlays, registration tables, display tables, vendor tables, as well as events that are not ordering a full breakfast, lunch, or dinner menu.

We will offer a variety of beverages along with entrees, salads, sandwiches, hors d'oeuvres, snacks and desserts. All items will include labeling with the item name along with a list of A9 allergens. Orders will be dropped off only, no tablecloths or tables will be provided.

As a courtesy to our university community, CU Events Planning & Catering does not charge an industry standard service charge, nor is gratuity charged or expected.

CANCELLATIONS

In the event of a delayed campus opening, service times may be modified by CU Events Planning & Catering and product availability is subject to change.

CU Events Planning and Catering will provide outdoor services from May 1 - October 15 and reserves the right to move your scheduled event four (4) hours prior to start time to the rain backup location.

Events in the UMC will receive china service ware when applicable. The final determination will be made by the event planner based upon the type of event.
